

Chartering the Pride of the Susquehanna

1. Layout: The Pride's layout includes approximately sixty (60) chairs (and plenty of window booth seating), fourteen (14) small round tables (20 ½ inch diameter) & eight (8) rectangular tables (24 inches x 42 inches). We can also provide 6ft tables to accommodate larger groups. The main cabin has 8 wooden columns, & the dance floor is 8 feet x 12 feet. Tables & chairs may be moved to satisfy your seating arrangements.
2. Charter hosts are free to use the caterer of their choice. A list of previously used caterers can be provided upon request.
3. The caterers must use sterno-type/alcohol units to heat or warm food. No other propane/butane bottled gas units, or open flame candles may be used on tables or in galley area. Battery-type or LED lights/table centerpieces are acceptable.
4. Decorations are allowed but must be approved prior to the charter (NO chocolate fountains, confetti, glitter or fireworks are permitted on the Pride for any reason). No decorations may be attached by glue, nails, staples, screws, tacks, or other permanent defacing means to any part of the Pride. We recommend string, twine, painter's tape, Command Hooks, or zip ties to attach items. All decorations must be removed immediately after event. You also may not relocate or remove any essential fixtures or other parts of the Pride for any reason. Tables and chairs may be moved with the Captain's consent and aid of the crew.
5. The Pride of the Susquehanna sound system (heard in the salon & upper deck) can be used for DJ, bands, etc. and connects to computers, iPhone, iPod, etc. In addition, videos may be shown on our closed-circuit television.
6. The Pride of the Susquehanna is handicapped/wheelchair accessible to our first-floor salon. The upper deck is only accessed by two sets of stairs. Special arrangements can be made to allow for close drop-off at the dock gate.
7. The consumption of alcohol (if applicable) is limited to the Pride itself and cannot occur on the dock or on City Island, nor may any alcohol be brought on or taken off the vessel for any reason. Pride bartenders and staff reserve the right to cut off service of alcohol to any guest who exhibits drunken behavior. The client is responsible for the behavior of all guests while on the vessel.
8. No outside liquor of any type may be brought on board due to our liquor license.
9. If you are part of the set-up, you may come no earlier than 1 hour before your start time and no more than five people to assist. If you need any help during your charter, do not hesitate to ask the Captain or crew for assistance.
10. The Captain of the Pride has the authority to approve or disapprove any arrangement set up by caterer or client. If you have any questions or concerns prior to your charter, please let the Pride Office know.

We will do all we can to make your event one to remember!
